TIME . . .

1972

The 1971-72 Annual Staff
Of Ponca High
Presents:

"The Indian"

Linda Wege, Lanny Knight, Steve Forney, Mary Woodford,
Donna VonMinden, Kathy Harder.

Shelley Mahler, Kathy Doren, Marisa Temple,
Corliss Sharp, Connie Schroeder.

Sue Voss, Linda Anderson, Pam Harder,
Maureen Persinger.

Deb Beldin, Mrs. Marcia Rastede.

The theme of our Annual deals with time. We hope that this book will record memories and events of the time spent at Ponca Public School.

"To everything there is a season, and a time to every purpose under heaven:" Ecclesiastes 3:1

The Annual Staff of 1972 wish to dedicate the Annual to Mrs. Zeta Pack. She has guided many young people through her thirty-two year career in education, thirty of them at Ponca. Those of us who have had contact with her as a friend and educator know of the devotion she has given to teaching, not only from books, but of the high ideals she herself holds. Upon her retirement we will finally appreciate the mark she impressed on the previous and future Ponca graduates and miss her friendly smile and cordial personality throughout the school year.

FALL--
A Time to look forward

over a whole new year,

Full of new, yet familiar things:

Old friends to greet,

new ones to be made;

The gold-glowing warmth of yellow leaves

and freshly-waxed wood floors;

Smoke from burning leaves,

the smell of newly-painted walls;

The first spine-tingling,

toe-chilling football game.

A time of sights,

sounds,

smells,

school.

A Time For Caring

Superintendent Kenneth Weller and his dependable secretary, Mrs. Dorothy McClary.

Representing the parental concern for the school system, the members of the school board are as follows: Don Anderson, Gurn Curry, Jim Saxon, Arden Nelson, Clayton Bottorff, Byron Kruse, and Superintendent Weller.

Keeping the high school running in an efficient manner are Principal Darrell De Long and his student secretary and announcements typist, Shelley Mahler.

With a smile and a grin, Betty and Ralph Stark keep the school shining.

Neither weather nor naughty youngsters ever get bus drivers Jack Galloway, Larry Addison, or Ole Bauman down.

A time to care, to help, to clean, to drive and to cook. All these people help to make P.H.S. a fine institution and school a time to remember. What would the students do without Mr. Weller's speeches, Mrs. McClary's reminders, Mr. De Long's admit slips, or Shelley's announcements? A school year is filled with many activities most of which wouldn't be possible without these people's help. Who cleans up after games, who drives that noisy pep club bus and just guess who cooks those great Thanksgiving and Christmas dinners!

Taking just a minute to smile for our cameras are the cooks: Lois Voss, Marge Olson, Shirley Beldin, Darlene Gibbs, and Carol Leigh.

These people handled the duties of the high school library: JoAnn Brennan, Marchelle Krause, Molly Knerl, Sue Voss, Richard Dohma, Pam Harder, and Mrs. Doris Buhl, head librarian.

They Lend a Helping Hand

Mrs. Marion Brennan touched the elementary library with her lively personality; Mrs. Marilyn Blatchford and Mrs. Linda Beam had the important task of teaching the remedial reading students.

Counselor Dick Brown guided young people toward their future plans.

WINTER
Time gusts away the dead leaves;

Snow drifts in behind.

Tracks lead everywhere-

to and from school,

into overshoe-stuffed hallways,

up and down muddy stairs.

Prints from big boots, little boots,

saddle shoes,

dress shoes,

tennis shoes.

After us, we know, these marks

will be covered up--ready for new ones.

Still the memories are left

printed in the sands of Time,

and stamped on these pages

here

and

now.

Sweetheart Dance February 19, 1972

The annual Sweetheart Dance is looked forward to as marking the end of winter and the beginning of a new season. Tears, laughter, smiles, and congratulations accompany the crowning of the royalty, shown at right.

SPRING -
The word names the season

And describes the feeling

Of new life springing up

Through the crust of left-over Winter.

We feel we can't sit down any longer.

We've got to get busy,

be lazy,

and make plans.

We daydream through open study-hall windows.

We wear pastel dresses and short-sleeved shirts.

We jump rope at recess,

jog down to the baseball field,

practice singing "Graduation Day".

We make the most of the Time we have,

Wondering--and smiling--

about the days to come.

"Imagine"

"Imagine"--the theme of the 1972 Junior-Senior Prom. The delicious banquet dinner, served by the Freshmen girls, was thoroughly enjoyed, as well as Trudy Curry's singing and Kelly Book's organ music. Entertainment also included the reading of the class prophecy and will and a humorous speech by John Kingsbury. Then came the dance, with music by Haber Dash. Everyone had a marvelous time dancing amongst the beautiful decorations. All in all, it was a wonderful way for the Juniors and fellow underclassmen to say "Good-bye and Good Luck" to the departing Seniors.
